

# NEWSLETTER

DECEMBER 2021

2021 seems to have flown by so quickly.

We are glad to hear that shoppers have been shopping more local to support independent businesses.

We have had quite a busy year ourselves and have some exciting news to share!

Everyone here at Fashione would like to say a massive thank you for your continued support this year and we would like to wish you a Merry Christmas and all the best for 2022.

*Team Fashione X*

# EXCITING NEWS – NEW YEAR NEW SYSTEM!

It has been a busy year here at Fashione. We have been working on a new major upgrade for our system, launching our new website and adapting to the very competitive EPOS market.

Over the last couple of years ,we have been slowly changing the way we sell and provide our EPOS software Fashione. Getting us ready for when we launch our new major system upgrade.

We are happy to announce that we are now in the final stages of this being available for our existing customers.

The major update includes a new database, to keep up with forever changing technologies to improve performance, to provide a better engine and modern report features for Fashione Users.

With these upgrades, we will offer a faster, more future proof and competitive EPOS Solution/ to not only new customers, but our existing customers too.

A LITTLE SPOILER! In the new upgrade Datapoll will be replaced by Data Sync, meaning scheduled polling is no longer required and the tills should update within 10 minutes.

After the January sales, we will be contacting you with a introduction to the upgrade, that will have much more detailed information.

## NEW WEBSITE – WIN WITH FASHIONE!

**[Fashione.co.uk](http://Fashione.co.uk) has a new website!**

## XERO TO XERO NETWORK KEY

---

If you use Xero accounting you can connect with other Xero organisations like Fashion Epos, to send invoices raised by us directly to your Xero as a draft bill, for you to finalise.

**For more information on this visit :**

[Xero Network Key](#)

If you would like to enable this please email your Xero Network Key to [accounts@fashione.co.uk](mailto:accounts@fashione.co.uk).

# SHORTAGES IN EPOS EQUIPMENT

Due to the ongoing pandemic, there is a world wide shortage of computer parts and this is affecting our EPOS hardware suppliers.

We are doing everything possible to try and keep well stocked of hardware, however some terminals , printers and scanners go out of stock and could take a few week or even months to come back in to stock.

We are hoping that stock levels will start to improve in 2022, but with the upcoming busy Christmas period, we want to warn customers that replacement equipment will be limited by availability and there could be possible delays.

If your equipment is showing signs of failure, please do not chance it. Get in contact with us to assess your equipment.

## WINDOWS 7 & 8 NOTICE

In September 2021 we gave notice on the following operating systems:

**Windows 7 and POS Ready 7:** End of Support Date 31st October 2023

**Windows 8/8.1 and Embedded 8 Industry:** End of Support Date 31st October 2024

## WINDOWS 11

Windows 11 was released in October 2021, currently Fashione has not been tested on Windows 11. We would advised against installing Fashione on Windows 11 until we have completed our testing.

## DOJO PAYMENTS

Integrated payments made faster and simpler with DOJO.
